Happy New Year!

We hope you rang in the new year positively and enjoyed a much needed break from the hustle of holiday season!

The studio is closed for classes until January 12th when we begin our next session of weekly group classes.

10% DISCOUNT ON WINTER REGISTRATION:

There's still time to claim a discount off classes until January 3rd. After this date, the fees will be back to our regular rates. Trial classes are always available for new dancers or dancers looking to learn a different style.

We also have adult ballet barre classes available if you're interested in only that portion of class.

There is a reference video available online for the adult ballet barre for absolute beginners.

All our classes are available via zoom at

any time, so if you're out of town, or feeling under the weather but well enough to move your body, please reach out to Michelle to help you get set up online.

STUDIO WEAR ORDERS:

Since costs are rising in delivery of retail items, we are limiting the amount of orders we put in. The next order is due January 3rd. Old pricing is still available until this date.

After this, our orders will include an increase in fees in early March.

Other options in the city for studio wear include *The Shoe Room* on Jarvis (NBS) or *Mara Dancewear* in Leslieville.

Otherwise, a drive out to Etobicoke or North York will also have dancewear options.

RECITAL 2025:

Our annual spring recital is set for Sunday, June 22nd. Confirmation

of participation is needed by March 1st to allow an appropriate amount of preparation time leading up to the event. This includes costume purchases and choreography production. More information will become available next month.

REGISTERED MASSAGE THERAPY:

RMT appointments are available upon request on Sundays & Tuesdays. Michelle currently has evening openings on Tuesday, January 7th, and daytime availability on Tuesday, January 21st, 28th, and Sunday, January 26th.

Please visit our website for duration options and pricing. Contact Michelle to book your next appointment.
